

## Daily Link remove

Posted by ernie - 2011/01/26 08:50

---

Hi,  
i want remove the link on each day to the daily eventlist.

=====

Hi

If you put the daily event in it's own category then you can restrict the calendar by category and only show the categorys you want. See the Demo page on category and Venue Filters.

Regards  
Toni
